RAYMORE-PECULIAR SCHOOL DISTRICT

MEDICATION RELEASE FORM

Dear Parent/Legal Guardian,

According to our records, your child _____ has medication in the health room. Because of our concern for the well-being and safety for all students, and for the cost factor for parents, we are asking that all medication remaining at school be picked up and signed for by a parent **on or before the last day of school.** (Medicines released to someone other than a parent could be lost, spilled, shared with other students, or an over-dose could occur.) We appreciate your cooperation in this matter.

Please contact your child's school and speak to the school nurse if you are not able to pick up the medication during school hours and other arrangements will be made.

All medication remaining at school after the last day of school will be destroyed.

Please check one box below and return this form to the health room by _____.

☐ **I will pick up my child's medication on or before the last day of school.**

☐ **I will call the health room to make arrangements to pick up my child's medication.**

☐ **I do not wish to pick up any remaining medication. Please destroy.**
