Materials Not Accepted:

- Glass†
- Styrofoam/Polystyrene*
- Plastic Bags*
- Plastic Film
- Electronics
- Household hazardous materials
- Containers from automotive products or acids

**Some plastic bags and Styrofoam have a #1 or #2 on them—this does NOT mean that they are recyclable at our center. The number on a product only indicates what type of plastic the item is made from. We can not accept these items at this time.*

†Glass recycling containers can be found in some locations. Visit CassRecycle.org or call 816-474-TEAM (8326) for information on recycling glass, electronics and household hazardous waste.

This recycling program is a partnership between the Cass County Sustainability Committee and Town & Country Disposal, Inc. with grant funds provided in part by the Missouri Department of Natural Resources and the Mid-America Regional Council (MARC) Solid Waste Management District.
