Learning For All

Previous Year's goals

- IMPACT Concussion Testing – All athletes to have a baseline test to be used in evaluation of head injuries
- Funding – maintaining effective programs while undergoing budget cuts
- Communication – Continue with and improve upon communication to the parents and community

Learning For All

2011-12 SMART Goals & Indicators of Success

- ImPact Concussion Testing – This program was very successful. All athletes participated in a pre-season screening. These results were then used as a comparison when a suspected head injury occurred and athletes were held out of participation until a clear medical release was given.

- Funding – Programs made cuts and coaches worked diligently to ensure there was no impact felt by the athletes or patrons by those cuts. There was a **$7,370 increase** in gate receipts from the previous year as well as a **$19,079 increase** in Activity Fees.

- Communication – The website has played an integral role in communication with parents. Parents and community members have the ability to subscribe to a notification bulletin that is sent via the website. When a change in location, time, cancellation, etc. takes place, a notice is sent from the Athletic office and subscribers get that information immediately via text or email.

Learning For All

Program Purpose & Impact of Program

- Ray-Pec Activities strives to build a foundation laid in an atmosphere where diversity is valued, sportsmanship and fair play are expected, and excellence and hard work are rewarded. Providing these opportunities for our students remains the highest priority for our extra-curricular programs.
- Approximately 700 students were involved in one or more MSHSAA sponsored activities throughout the school year.

Learning For All

Future SMART Goals

IMPACT Testing - This year we are implementing the IMPACT testing at the MS for all MS athletes as well as continuing the testing at the HS.

Funding – Maintaining quality programs and continuing to look at ways to help offset expenses.

Communication – A parent athletic/activity monthly newsletter.
