Professional Learning Communities (PLC)

The District and each school are highly engaged in re-shaping our culture to become a Professional Learning Community (PLC). A PLC is described in large measure by the following six characteristics:

- Shared mission, vision, values (collective commitments) and goals
- Collaborative teams with a collaborative culture
- Collective inquiry to reflect consistently on what is and what is not working
- Focus on action steps for improvement rather than just good intentions
- Commitment to continuous improvement and assessing progress
- Focus on results recognizing that success is measurable

In addition, PLC's consistently ask themselves these four questions to keep the district and each school focused on the students as our top priority.

- What do we expect each student to be able to know and do?
- How will we know when they have learned it and have the skills needed to be successful?
- What will we do at each school and as a district when students are not learning or being successful?
- What will we do at each school and as a district when students are already learning at high levels and being highly successful?

These questions remind each educator within the district that the fundamental purpose of the Raymore-Peculiar School District is learning and that decisions should be made based upon "the best interest of Ray-Pec students."

WELCOME!

Welcome to Shull Early Learning Center, within the Raymore-Peculiar School District. The District is committed to providing quality educational opportunities for all students.

This handbook is designed to acquaint both students and parents with the programs, services, and procedures within Shull Early Learning Center. We hope it will answer questions you may have about our school and that you will keep it for reference throughout the school year.

PHILOSOPHY

The safety, security, and growth of our young students is our greatest priority. Our school family is created through routines, rituals, and structures. We build connections between:

- ★ Family and School
- ★ Teacher and Student
- ★ Student and Student
- ★ Staff Member and Staff Member

Greatness doesn't come in isolation. Our teachers work as highly effective teams. Your child will have interactions with highly qualified staff members throughout the day.

A parent is the first and prime educator of a child, and is instrumental in developing good behavior and a positive attitude toward school. Our school's role is to form a productive partnership with families to ensure the highest quality developmental learning for young children. We recognize in order to be successful, children need support from both home and school. We understand the value of a strong parent-school alliance and look forward to partnering with our families to further develop behaviors that encourage children to become responsible, respectful, and caring individuals.

Children learn by doing. Through this active involvement, children attempt to make sense of the world around them. Children learn by observing what happens when they interact with the physical and social environment around them. As children learn simple concepts, they use that understanding to grasp more complex ideas. Our goal is to focus on the development of the whole child.

ENROLLMENT

Early childhood special education and prekindergarten programs are provided at Shull Early Learning Center.

Early Childhood Special Education:

Eligibility for early childhood special education is determined through an evaluation conducted by a multidisciplinary team, of which the parent is a member. A child is eligible for services when meeting eligibility criteria for Young Child with Developmental Delay or other eligibility categories as outlined by the Missouri Department of Elementary and Secondary Education Special Education Standards and Indicators. Transportation and other related services (speech, physical therapy, occupational therapy) may be provided for students who qualify.

Prekindergarten:

Formal screening and enrollment for prekindergarten occurs in the spring. The dates for these activities vary from year to year and are publicized by the district through the local news media. Any child whose

fourth birthday occurs *before* the first day of August shall be eligible to enroll in prekindergarten. Enrollment is on a first come, first served basis. All enrollment forms, birth certificate, proof of residency, immunization records, and additional documentation for special circumstances will need to be submitted 24 hours before the student may begin prekindergarten classes. This is a fee based program and transportation is not provided.

Reservation Fee:

A \$50 reservation fee will reserve your child a spot in the prekindergarten program and those funds will be applied to the first tuition payment.

Enrollment / Emergency Procedure Information:

There are times throughout the course of the school year that a parent/guardian may need to be reached by a member of the school staff. It is imperative that the school maintain current information pertaining to the families we serve. We reserve the right to ask for photo identification before releasing a student. **It is important to keep all enrollment, emergency, and pick-up information current throughout the year.**

Change of address/telephone

It is the responsibility of the parent to immediately notify the office in the event of a change in address or telephone number. A change of address will require a new proof of residency (water, gas, electric bill) before the address will be changed in our student information system.

THE SCHOOL DAY

Shull Early Learning Center is open from 6 A.M. to 6 P.M. five days a week. Full and half day options are available, four or five days a week. The full day option includes two snacks with a breakfast/lunch option for a maximum of 10 hours a day. The morning half day option spans 6 a.m. to Noon with a snack and a breakfast/lunch option. The afternoon half day option spans Noon to 6 p.m. with a snack. Certified class times are 8-11:15 and Noon-3:15

Early Childhood Education runs five days a week for students the year before kindergarten entry. The early childhood classrooms have 1 certified teacher, 1 paraprofessional and up to 20 students. Students must be 4 years old by July 31st. This is a fee based program and transportation is not provided.

Blended Classrooms operate Monday-Thursday with peer models and special needs students. The blended classrooms have 1 certified teacher, 1 paraprofessional and 10-14 students. Students must be 4 years old by July 31st. This is a fee based program for the peer models. Transportation and other related services (speech, physical therapy, occupational therapy) may be provided for students who qualify.

Early Childhood Special Education operates Monday-Thursday for children starting at age 3. Individualized Education Plans are developed for qualifying students who exhibit developmental delays and/or may have specific health concerns. Transportation and other related services (speech, physical therapy, occupational therapy) may be provided.

The Pledge of Allegiance is recited every day. If you do not wish for your child to participate in the Pledge, please communicate this desire in written form to the office.

TUITION

Prekindergarten Tuition:

The board-approved tuition rates listed below are weekly. Students from a family whose income is at or below the Federal Income Guidelines and qualify for free and reduced price lunch will also qualify for free and reduced tuition prices.

Families may pay bi-weekly or monthly. The first tuition payment will be due August 18th, as school begins August 23rd. Tuition will be due on the first of each month, September through May. If not paid by the 15th, a \$25 late fee will be assessed. Tuition payments may be made by personal check or through our online system.

Special Circumstances:

School will not be in session the week of Winter Break and Spring Break. However, care will be available a portion of that time for families that choose to utilize it. Normal tuition rates will apply.

If you are in the 5-Day program and there are three or more student contact days (when school is not session or due to inclement weather) in a 5-day week, tuition is full price. Anything less than three days, tuition is 50%.

If you are in the 4-Day program and there are two or more student contact days (when school is not session or due to inclement weather) in a 4 day week, tuition is full price. Anything less than two days, tuition is 50%. Tuition does not vary due to illness.

	5-Day Program	
	Full Day Maximum of 10 hours	Half Day 6 to noon or noon to 6
Full Pay Weekly Rate	\$150	\$75
Reduced Lunch Eligible Rate	\$100	\$50

We accept DFS child care assistance through the Cass County Division of Family Services, 816-380-3597, 2500 E. Mechanic, Harrisonville, Missouri. It is the parent's responsibility to apply for this assistance. Parents will need to supply DFS with the child's birth verification, social security number and our program's ID number DVN#002660017. Children will not be accepted into the program until DFS authorization has been received. Families or students receiving DFS child care assistance will be responsible for their daily co-payment.

WITHDRAWAL

A two week notice is recommended for withdrawing your student from the early learning center. This will allow parents on the waiting list to be notified of an available space. To withdraw your child, parents/guardians must report to the office and complete the necessary forms. This must be done prior to withdrawal and must occur before a student may terminate enrollment. Any money or tuition owed must also be paid in full at this time. Payment will be required for the full week when a child is withdrawn during the middle of the week.

ATTENDANCE

Consistent school attendance is one of the keys to academic success. Parents can help their child succeed by ensuring his/her attendance except when illness or extreme family emergencies occur. Parents are requested to contact the school if a student is going to be absent. The office staff may place a call to inquire on the whereabouts of student(s) who have an absence. For the purpose of attendance reporting, the Raymore-Peculiar School District has three categories for absences.

VERIFIED ABSENCES: An absence from school resulting from illness or unforeseen circumstances which is verified by a parent/guardian within 48 hours of the absence.

EXCUSED ABSENCES: An absence is categorized as excused when a dated note from a medical professional is received by the school excusing the absence.

UNEXCUSED ABSENCES: An absence from school without verification within 48 hours of the absence.

For the safety of each student, when it becomes essential that a student be dismissed early from or arrive late to school, the parent must sign the student out/in at the office and show identification. The student will be called to the office to be dismissed.

Pick-up information is completed at the time of enrollment and updated yearly. Only those persons listed on the Pick-Up Authorization form will be allowed to remove a student from the school unless written notice is provided by a parent or legal guardian. It is important to keep all enrollment, emergency contacts, and authorized pick-up information current throughout the school year.

SCHOOL CLOSINGS

The certified classes at Shull Early Learning Center are closed when the Raymore-Peculiar School District closes school. Our wrap around care will be available from 8:00 a.m.- 6:00 p.m. depending on the severity of the severe weather. School closings and late starts due to inclement weather will be announced on all major television and radio stations, posted on the district's website and recorded on the district's information phone line at 816.892.3988. In addition, the district now uses School Messenger; an automated phone calling system to provide information on school closings. In the event of a late start announcement, bus transportation for early childhood special education students will be provided two hours later than regular pickup times. School sessions will begin two hours later than normal times also, but dismissal time will remain the same.

Unscheduled early closings due to equipment failure or inclement weather may also be necessary. It is important that parents have contingency plans in place for their children if school is dismissed early for any reason. The school will follow the emergency/early dismissal plan listed by the parents on the enrollment card.

BEHAVIOR MANAGEMENT

Through our school family environment, students and teachers develop respectful and caring relationships at Shull Early Learning. Careful attention is given to the emotional and social learning of each child. To promote the development of self-regulation skills for appropriate behavior, Conscious Discipline is integrated into the classroom foundation:

- ❖ focus on helpfulness, motivation, problem solving, and self-regulation
- ❖ integrate classroom management and social emotional learning
- ❖ utilize everyday events as learning opportunities

Students are accountable for all behavior choices. Students will have time to reflect on their behavior choices through redirection and discussion. Every attempt will be made to redirect negative behaviors into positive learning opportunities. Students may be temporarily removed from an activity, when appropriate, for safety issues. When necessary, parents and staff will collaborate and develop a success plan that allows each student the opportunity to manage impulses and emotions for social emotional growth and self-control.

DRESS CODE

Dress your child ready to play. Casual clothing works best since students will work with paint, glue and markers. We do sit on the floor every day - it is suggested that girls wear leggings, bloomers or biker shorts under dresses or skirts. Since students are involved in gross motor activities, we recommend that you send your child to school in tennis shoes, sneakers, or other shoes that are not likely to come off easily. **Flip-flops are not safe in our setting, even in warm weather.** Footwear with wheels are not permitted.

Please dress your child appropriate for the weather. We will be going outside to the playground on a daily basis, provided that the temperature and/or wind chill is above 20 degrees. During hot weather, shorts are permitted; however, short-shorts, short skirts, spaghetti strap tops, strapless dresses/tops are not allowed. In addition, a student's mid-section is to be covered. Tops and T-shirts having inappropriate words, pictures or design, or that promote violence, alcohol/drugs, may not be worn to school.

RECESS GUIDELINES

Our goal is to create a safe environment during recess. Each school will determine specific rules for recess appropriate to their setting. We will have outdoor recess when the temperature and/or wind chill is above 20 degrees. Occurrence of recess during extreme heat will be determined when appropriate. All students will be expected to participate in outdoor recess. If a student is unable to participate in recess, a note from the parent/legal guardian is necessary. If the condition requires a child to refrain from activities/recess for more than five days, a primary care provider's note is required. We encourage cooperation and respect of others and property so that this time is safe and enjoyable. It is never going to be OK to disturb the learning of others or be hurtful to others.

HEALTH SERVICES

The purpose of the district health services program is to help each student attend school in optimum health, and to benefit from the school experience.

A nurse or health aide is on duty during the time students are present in the building. Every effort is made to provide appropriate services to students in the event of illness or injuries that occur during school hours. **The nurse will not treat injuries that happen away from school.**

It is very important that we attempt to control the spread of communicable disease. We would appreciate your compliance in following these guidelines:

1. Students should be fever-free (without the influence of fever-reducing medicine) for 24 hours before returning to school.
2. The student health services recognize an oral or tympanic (ear) temperature as 100.0 degrees Fahrenheit as a fever. Students with a temperature of 100.0 or greater will be sent home from school.
3. Students should be free of continuous coughing.
4. Students with vomiting or diarrhea will be sent home from school. An exception will be made for students vomiting secondary to certain medications, physical activity, or by the medical judgment of the school nurse. Students should remain at home for 24 hours after their last episode of vomiting or diarrhea.
5. Students should remain at home for 24 hours after taking the first dose of an antibiotic for infection.
6. Students who are found to have head lice will not be allowed to attend school until free of living specimens and all nits.
7. Students will be excluded from school for pink eye/conjunctivitis until on medication for 24 hours, with primary care provider's written orders or until clearing of the eye.
8. The health services department shall be informed of any child with an illness characterized by rash, recurrent episodes of bleeding, or who has draining skin lesions.
9. With the increase number of students experiencing food-related allergies, we require parents to provide written medical documentation of major food difficulties their child may experience. (Note: Parents will be notified if special guidelines are necessary due to food related allergies of a classmate.)

Parents will be notified of any serious injuries.

Prescription medications must come in the original pharmacy bottle with the student's and primary care provider's name clearly visible and must be accompanied by written primary care provider's instructions along with signed legal parent/guardian consent to administer. All medications must be delivered directly to the health room by a responsible adult and will be dispensed by designated personnel. In accordance with school policy, medications will not be dispensed within one hour of dismissal, unless there is a written primary care provider's order and signed parental/legal guardian consent to administer.

Non-prescribed, school-owned medication will be dispensed only if a current *Medication Order and Consent* form is on file in the health room. The *Medication Order and Consent* form must be completed by the parent/legal guardian. This form needs to be renewed each year.

Non school-owned over the counter medications must be accompanied by written primary care provider's instructions along with signed legal parent/guardian consent to administer. All medications must be delivered directly to the health room by a responsible adult.

If a student is unable to participate in physical education activities, a note from the parent/legal guardian is necessary. If the condition requires a child to refrain from activities for more than five days, a primary care provider's note is required.

Use of cough drops or throat lozenges will not be allowed at school. Students should not bring Chapstick to school. The Health Room has Vaseline for chapped lips.

The health services department recognizes that parents/legal guardians are busy and have many responsibilities. However, it is in the best interest of your child and the other students to avoid sending sick children to school. Time spent in the health room is time NOT spent in the classroom.

IMMUNIZATIONS

Shull Early Learning Center requires satisfactory evidence demonstrating that the child has been immunized, that immunizations are in progress or that the student has an immunization exemption as permitted by law. Upon request from a parent/guardian of a student enrolled in or attending the center, the district will inform the parent/guardian whether any student enrolled or currently attending has an exemption on file. The district will not release any information that would identify a particular student with an exemption or a particular type of exemption. The district will only verify whether any student has an exemption on file. (JHCB)

OUT-OF-DISTRICT MEDICAL AND PSYCHOLOGICAL EVALUATIONS

Occasionally parents seek evaluations that require information from school district employees. The school district will partner with other professionals in order to provide accurate information. It is the district's practice to first obtain a release of information from the parent that will allow us to share information with the requesting agency. Subsequently, all rating scales, narratives, and other requested information will be forwarded directly from the school to the agency itself.

Raymore-Peculiar School District's practice is to allow observations of students by qualified district personnel or those professionals with whom the district contracts directly. Raymore-Peculiar School District will provide a detailed record of the observation so that information about the student in the school setting can be shared. District personnel will work with the parent and the outside agency to select the appropriate staff member to match the type of observation requested.

BUILDING SAFETY

If children are to be picked up by someone other than the usual designated adult, please contact the office at least 1 hour before dismissal time. This assures the safety of all our students and makes dismissal more efficient.

Parents and grandparents are always welcome in our schools. For our students' protection, all visitors must stop by the office with photo ID, sign-in, and pick up a visitor lanyard before proceeding to the classrooms, and check out in the office when leaving. **Parents are required to contact their child's teacher in advance of a classroom visit. These visits are limited to one hour or less at the discretion of the teacher and/or building administrator. Children that are not students of the particular school being visited are not allowed to accompany a parent during a classroom visit.**

Safety is a high priority for students and staff. Drills are utilized for students and staff to practice preparedness for emergency situations. School staff is trained in school safety procedures and applicable drills are conducted on a routine basis. Applicable procedures for drills are posted in every classroom and are reviewed by the classroom teacher.

CHILD NUTRITION PROGRAM

The meals at your child's school will be prepared by professional food service staff. The school child nutrition program is a cooperative federal, state and local effort. The success of the program is dependent on the teamwork of the parents, students and the child nutrition staff. Ray-Pec is committed to providing affordable, high quality, freshly prepared, nutritious food and quality service to each student.

Ray-Pec also provides a friendly, caring environment where students are encouraged to make healthy choices. Good nutrition is essential in the learning process and the district will provide nutritious food options so that students are ready to learn.

PROGRAM HIGHLIGHTS

- Breakfast and Lunch are available daily at every school
- All Ray-Pec schools participate in the National School Lunch Program & School Breakfast Program
- A student breakfast includes choice of entree, self-serve fruit and milk
- To make a breakfast meal students must;
 1. Take at least ½ cup fruit and/or juice
 2. Take a breakfast entree
- A student lunch includes choice of entrée, self-serve vegetables and fruit and milk
- There are five food groups to a student lunch: fruits, vegetables, grains, proteins and dairy. Students only have to do two things to make a lunch meal:
 1. Take a least 1/2 cup fruit and/or vegetable
 2. Take two other food groups to make a meal (Entrees are typically grains & protein)
- Saturated fat averages no more than 10 percent of calories over the week and products contain no trans fat.
- Every day students may choose from skim chocolate, skim white or skim strawberry milk.

MEAL PRICES FOR THE 2017-18 SCHOOL YEAR

Early Childhood School Breakfast: \$1.65

Early Childhood School Lunch: \$2.40

A la carte Milk or Juice: \$0.50

A la carte Grain, Fruit or Vegetable serving: \$0.75

A la carte Entrée: \$2.00

Students use their student account to purchase meals and a la carte items.

STUDENT ACCOUNTS

The Ray-Pec Child Nutrition Department provides each student with an account for which funds may be prepaid by either check, cash or by creating a user account through the district Web Store: <https://RayPecK12.revtrak.net>. Just look for the "Meal Payment" icon to make deposits into your student's meal account. To use the online payment system, you will need your student's PIN number (they number they enter on our keypads to make a purchase). Contact the Child Nutrition Dept. to acquire your student's PIN number (rpchildnutrition@raypec.org). When sending checks to school for meal account payments please make payable to: RP Child Nutrition and include the student's first and last name on the check.

Student accounts are designed to be debit accounts with purchases subtracted from a balance. When accounts reach a balance of \$5.00, automated reminder calls & e-mails are sent. Child Nutrition staff will also make account balance reminder calls if an account remains below \$5.00. If a student account falls below a zero balance, students may not make a la carte purchases until funds are deposited. A regular meal can be charged for a limited period of time, however future account charges may be disallowed for

accounts remaining at a significant negative balance. Invoices are sent monthly to student accounts with a negative \$15.00 or more account balance. After three consecutive invoices, the negative account balance may be sent to an external collection agency unless payment arrangements are made.

SNACK GUIDELINES

In an effort to meet Federal Government Regulations concerning student wellness, the Raymore-Peculiar School District has made changes to the guidelines that govern snacks at school. Shull Early Learning provides nutritional snacks that meet these guidelines. Please make us aware in writing if your child has any dietary restrictions that we need to be aware of for snack purposes.

CAFETERIA RULES

1. Remain quiet and orderly while going to and from the cafeteria and while waiting to be served.
2. Once seated, remain seated unless permission has been granted to leave seat.
3. Focus on eating.
4. Speak quietly with neighbors.
5. Clean up your lunch area when finished eating.
6. Be considerate of the rights of others by demonstrating appropriate table manners and food etiquette.
7. Directions given by the adults in charge shall be followed in a prompt and respectful manner.
8. All food and drink purchased from the cafeteria cannot leave the lunchroom area.

SPECIAL EVENTS/CELEBRATIONS

Celebrating a birthday, observing a special holiday, or acknowledging a major achievement or accomplishment are highlights in every child's life. Celebrations of these events often occur in your child's school setting. In order to ensure the health and safety of all students, we request observance of the following guidelines:

1. Any edible food items sent to school for distribution to students **must be from the approved snack list**. **The list can be found at the Child Nutrition website <http://rpchildnutrition.org/>.** Items must be individually prepackaged items or food items in the manufacturer's sealed packaging. This practice eliminates homemade food items from being sent to school for distribution to all students. This applies to classroom birthday snacks and school sponsored events and parties.
2. With the increased number of students experiencing food-related allergies, we encourage parents to provide written medical documentation of major food difficulties their child may experience.
3. Students may bring a simple, prepackaged treat (reference item # 1) to share with their classmates on their birthday. Treats will be eaten at a designated snack time or as a dessert at lunch. Students having a summer birthday may celebrate their half-birthdays with classmates. **Birthday treats are strictly optional and must come from the district approved snack list.** Birthday parties may not be conducted at school. **Invitations to birthday parties and birthday gifts may not be distributed at school.**
4. Students and parents will not be permitted to bring pets to school.
5. **Children not on the class list may not attend classroom parties or building celebrations.** This includes younger or older siblings, etc.
6. **Parents not wishing for their children to participate in seasonal celebrations or birthday celebrations are requested to notify the school in writing of that desire.**

REPORTING of STUDENT PROGRESS

The Raymore-Peculiar School District has made a commitment to students and families to provide clear, consistent, and current communication regarding student growth and progress toward standards (what students should know and be able to do).

PreK-5 grades will report student progress within a standards-referenced format. Standards referenced reporting is a research-based practice that provides consistency across the district on power standards.

Guiding principles within this practice are:

- Students learn in different levels and time frames
- Mistakes are necessary and productive in learning
- Problem solving and critical thinking are integral parts of learning
- Student must have ownership in their learning and data
- Students must understand the purpose of their learning
- Students receive frequent, specific, and timely feedback
- Student scoring is based on content knowledge of a learning goal, not attitude or effort

The reporting process is clear, concise, and provides the stakeholders with accurate information regarding

student proficiency.

Parents have the opportunity to monitor their child's progress throughout the year within the parent portal of Teacher Ease.

Three times throughout the year a progress report is available to parents within Teacher Ease and a final report card is viewable at the end of the year.

Students are evaluated based on their progress toward mastering end-of-year standards. Progress will include Academic Descriptors and non-academic Student Learning Attributes reported separately.

Student learning attributes are factors that influence academic achievement and promote workplace success, but are not directly tied to the curriculum standards.

Students with disabilities under IDEA will participate in the district's grading and reporting of academic standards and non-academic Student Learning Attributes the same as students without disabilities unless accommodations/modifications are clearly written into the Individual Education Plan (IEP). A special marking on the report card will denote that the student is working on a modified standard according to the determinations made at the most recent IEP meeting. Additional information will be included to provide parents updates on progress toward the modified standards. Students with a Section 504 Plan will participate in the district's grading and reporting of academic standards and non-academic student learning attributes the same as students without disabilities. Accommodations written into the Section 504 Plan will be implemented to aide in the student's success.

Parents are provided a link to Teacher Ease and are encouraged to login to view their child's current scores and progress at any time.

Scheduled parent conferences for all students are held in the fall. Winter parent conferences are also scheduled as needed. Parents are welcome to contact their child's teacher for a conference any time during the school year.

Academic Descriptors:

4 = Learning and performing exceeds grade-level or course standards

3 = Demonstrates mastery of grade level or course standards independently, thoroughly, and accurately

2 = Progressing toward mastery of grade-level or course standards

1 = Limited understanding of required grade-level or course standards

Student Learning Attributes:

Effort - Perseveres and attempts quality work

Engagement – Actively participates and listens; shows interest

Responsibility – Follows directions; meets deadlines; manages time; advocates for self

Respectful – Respects people and property

Prepared – Prepares and organizes for learning

STUDENT RECORDS

Student records are available to parents for review at any time. Parents wishing to review the files should set up an appointment with the office to guarantee adequate time for explanation.

When transferring a student to another school, please notify the office and the child's teacher as soon as possible. The child's records will be sent to the new school upon request from the new school.

Board of Education Policy JO will guide school administration and staff decisions on student records. All parents will have the right to inspect their child's education records as allowed by law. As used in policy JO, a "parent" includes a biological or adoptive parent, a guardian or an individual acting as a parent in

the absence of a natural parent or guardian. The district will extend the same rights to either parent, regardless of divorce, custody or visitation rights, unless the district is provided with evidence that the parent's rights to inspect records have been legally revoked.

TRANSPORTATION

Riding the school bus is a privilege extended to students and it can be removed at any time for disruptive and unsatisfactory conduct. All students being transported for early childhood special education are under the immediate authority of the bus driver and must behave in accordance with school district and bus company rules and regulations. Specific rules and regulations are posted in each bus. Failure to comply with the rules and regulations may result in discipline. Serious infractions such as weapons, serious assaults, or drug possession will result in loss of riding privileges and possible discipline from the district.

Bus conduct notices require parental signature. Parents may be required to contact the bus company before riding may resume.

In the event students need to deviate from their original transportation routine, parents must provide the school with written directions stating the date(s) involved, the new drop-off address, and their signature. Students are requested to give the note to their classroom teacher upon entering the classroom in the morning for processing by the building secretary prior to departure time. The student will be issued a bus pass that states the date and location change to present to the bus driver.

For a one day change of transportation, parents must notify the office in writing or by phone no later than 2:30. Parents are encouraged to contact Apple Bus Company with any bus-related questions or concerns at 318-1900. A copy of the transportation rules and procedures is available in the office upon request.

APPLE BUS COMPANY – BEHAVIORAL MANAGEMENT STEPS

Safe and orderly bus transportation is important in the Raymore-Peculiar School District. It is important that students feel safe while riding the school bus. Students and parents are asked to read the behavioral expectations and guidelines listed below. These guidelines, along with the Student Code of Conduct listed in the board approved school agendas, give a clear explanation of behavioral expectations while riding the bus.

CARE OF SCHOOL PROPERTY

Students are responsible for the proper care of all books, supplies, devices, and furniture supplied by the school. Students who damage school property may be required to pay for the damage done or replace the item. Fines and other assessments (e.g. vandalism cost, library fines, lunch charges, etc.) must be paid before the end of each quarter.

PERSONAL PROPERTY

Students are reminded that personal property not needed for schoolwork should not be brought to school. Students should not bring the following items to school: CD/MP3 players, large amounts of cash, electronic games, skateboards, playing cards, sport cards, laser lights, pagers, and toys. Such items brought to school may be taken away by school personnel and placed in the office. Confiscated items will be returned only to a parent/guardian. If a parent/guardian determines a student needs a cell phone for the purposes of safely traveling to/from school, the child must follow the building procedure regarding cell phones (either to keep them turned off and in backpacks or turned into the school office during the day.) The school will accept NO responsibility for the loss of the aforementioned items. Students may not sell or trade any items to other students at school.

MEDIA RELEASE

The Raymore-Peculiar School District periodically provides information and images of students to the news media and distributes student names and images via its own printed and electronic materials. However, to protect our students from unauthorized publicity, the district seeks permission prior to distributing such information. A media release form is sent home yearly for parental approval.

PROTECTION OF STUDENT RIGHTS

All instructional materials including, films, tapes or other supplementary material which will be used in connection with any survey, analysis or evaluation as part of any federally funded program shall be available for inspection by the parents or guardians of the children. (See Board Policy JHDA)

No student, as part of any federally funded program, shall be required without prior parental consent in writing to submit to a survey, analysis or evaluation that reveals information concerning:

1. Political affiliations;
2. Mental and psychological problems potentially embarrassing to the student or his/her family;
3. Sexual behavior and attitudes;
4. Illegal, antisocial, self-incriminating and demeaning behavior;
5. Critical appraisals of other individuals with whom respondents have close family relationships;
6. Legally recognized privileged or analogous relationships, such as those of lawyers, physicians and ministers; or

7. Income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program).

The school district shall give parents and students effective notice of their rights under this policy.

TECHNOLOGY / MEDIA CENTERS

Technology is prevalent throughout the Raymore-Peculiar School District. The computer lab, mobile devices, and the library comprise the school's media and communications hub and are referred to as the Learning Resource Center (LRC). Buildings follow the district technology plan for equipping classrooms with additional computers for students and staff to use. E-mail is used in the building and throughout the school district.

HAZING and BULLYING

In order to promote a safe learning environment for all students, the Raymore-Peculiar R-II School District prohibits all forms of hazing, bullying and student intimidation. (See Board Policy JFCF).

Use of words or actions, which are spoken or written solely to harass, discriminate against, or injure other people, such as threats of violence, defamation of a person's race, sex, religion, or ethnic origin will not be tolerated. This includes racial harassment or intimidation.

"Bullying is defined as intimidation or harassment of a student or multiple students perpetuated by individuals or groups that causes a reasonable student to fear for his or her physical safety or property. Bullying includes, but is not limited to: physical actions, including violence, gestures, theft, or damaging property; oral or written taunts, including name-calling, put-downs, extortion, or threats; or threats of retaliation for reporting such acts. Bullying may also include cyberbullying or cyberthreats. Cyberbullying is sending or posting harmful or cruel text or images using the Internet or other digital communication devices. Cyberthreats are online materials that threaten or raise concerns about violence against others, suicide or self-harm."

STUDENT DISCIPLINE

The elementary schools use School Board Policy JG-R guidelines for handling student discipline problems. As stated in board policy, the Student Code of Conduct is designed to foster student responsibility, respect for the rights of others, and to ensure the orderly operations of district schools. Each elementary school follows the BIST behavior program.

In the event of assault, disparaging or demeaning language, disrespectful conduct or speech, disruptive conduct or speech, extortion, false alarms, threats, fighting, sexual harassment, theft, and vandalism, the following actions may be administered by the administration:

First Offense: Principal/Student conference, parent contact, in-school suspension, or 1-10 days out-of-school suspension, and documentation in student's discipline record.

Subsequent Offense: Principal/Student conference, parent contact, In-school suspension, 1-180 days of out-of-school suspension, or expulsion, and documentation in student's discipline record.

In the event a weapon or weapon look-alike is brought to school, the following steps, in accordance with Missouri's Safe School Act, will be taken:

First Offense: Principal/Student conference, parent contact, possible notification of law enforcement officials, in-school suspension (1-10 days), 1-180 days out-of-school suspension or expulsion, and documentation in student's discipline record.

Subsequent Offense: 11-180 days of out-of-school suspension, notification of law enforcement officials, and documentation in student's discipline record.

SEARCHES

The safety of each student and staff member is a top priority for the Ray-Pec School District. When investigating a situation; (in accordance with state statute and board of education policy) the district reserves the right to search students, student belongings, student lockers and vehicles on school premises and at any school sponsored event. School administrators also have the legal authority to interview a student, regardless of age with or without the student's legal guardians present.

The school administration will attempt to inform legal guardians before the interview if possible or within a reasonable timeframe after the interview as appropriate. (See Board Policy JFG)

ILLEGAL DISCRIMINATION AND ANTI-HARASSMENT

For a complete overview of the Raymore-Peculiar School District's policy on Illegal Discrimination and Anti-Harassment, please visit the district website at: <http://www.raypec.k12.mo.us/>.

Policy AC may also be viewed in the school Board Policy Manual located in each building.

(See Board Policy AC)

SAFE SCHOOLS ACT

In an effort to make the schools safer for Missouri children, the State Legislature enacted what has become known as The Safe Schools Act. Officials are required by this law to report certain specific violations to local law enforcement agencies. Under the same law, certain specific violations alleged to have been committed by a student while not at school will be reported to the Superintendent by law enforcement personnel.
