Mentoring

The District's mentoring goal is to facilitate the growth and development of new educators by pairing them with experienced veteran educators. Through the effort of both the mentor and the mentee, the mentee shall draw upon the experience and knowledge of the veteran mentor to enhance their own professional skills and enhance student learning. It is vital to the success of our students that new educators become integrated, through the mentoring program, into the school's culture and are given the opportunity to better themselves with the assistance of one of their veteran peers.

Through the mentoring program the Board hopes to not only create a stronger learning community but also a community where the strong professional and personal bonds between the educators in the District provide students and employees the best possible working and learning environment.
