## **Regulation 2170**

### **Nondiscrimination and Student Rights**

#### **Distribution of Noncurricular Publications by Students**

##### **Guidelines for Distribution**

Students may distribute, at reasonable times and places, unofficial written materials, petitions, buttons, badges, or other insignia, except expressions which:

1. Are obscene to minors.
2. Are libelous.
3. Are pervasively indecent or vulgar (secondary schools)/contain any indecent or vulgar language (elementary schools).
4. Advertise any product or service not permitted to minors by law.
5. Constitute insulting, hateful or fighting words, the very expression of which injures or harasses other people (e.g., threats of violence, defamation of character or of a person's race, religion, or ethnic origin).
6. Present a clear and present likelihood that, either because of their content or their manner of distribution, will cause a material and substantial disruption of the proper and orderly operation and discipline of the school or school activities, or will cause the commission of unlawful acts or the violation of lawful school regulations.

Distribution on school premises of material in above categories to any student is prohibited.

##### **Procedures**

Any student wishing to distribute unofficial written material must first submit for approval a copy of the material to the principal/designee at least three (3) days in advance of desired distribution time, together with the following information:

1. Name and phone number of the person submitting request.
2. Date(s) and times(s) of day of intended display or distribution.
3. Location where material would be displayed or distributed.
4. The grade(s) of students to whom the display or distribution is intended.

Within forty-eight (48) hours of submission, the principal/designee will render a decision whether the material violates the guidelines contained in these regulations or the time, place and manner restrictions of this regulation. In the event that permission to distribute the material is denied, the student submitting the request should be informed of the reasons for the denial.

Permission to distribute material does not imply approval of its contents by the school, the administration, the Board, or the individual reviewing the materials submitted. Accordingly, the publication shall contain a statement "The opinions expressed are not necessarily those of the District or its personnel."

If the student is dissatisfied with the decision of the principal/designee, the student may submit a written request for appeal to the Superintendent/designee. If still not satisfied, the student may appeal the request to the Board for its review.

### **Time, Place and Manner of Distribution**

The distribution of written material shall be limited to a reasonable time, place and manner as follows:

1. No written material may be distributed during and at the place of a normal school activity (e.g., classroom) if it is reasonably likely to cause a material and substantial disruption of that activity.
