## Second Grade Program

On Tuesday, March 12 the second grade will be presenting a program based upon the book *Cloudy with a Chance of Meatballs*. The program will begin at 7:00 pm, but students will need to arrive ten or so minutes early and sit with their parents in the gym bleachers until we begin. We will tell the story supported by musical selections. For this program, students will dress as community members. This could mean wearing regular school clothes and dressing as a kid, or dressing as a fireman, police officer, doctor, etc. The choice is yours. Make the costuming simple as students will need to dress themselves when we perform earlier in the day for the school.
