- For scouts in Sixth Grade to age 18.
- Regular outdoor experiences.
- Scouts meet weekly with adult leaders.
- Learning is achieved through an advancement program.
- Scouts learn self-reliance, teamwork and leadership skills.

### **Frequently Asked Questions**

Q: Can scouts from single parent families join?

A: Absolutely! Scouting can strengthen your relationship with your child, and also introduce them to other adults he can look up to.

Q: What if my child has a disability or special need?

A: Scouting is perfect for them! Scouting encourages scouts to "do their best."

Q: What role do parents play in Cub Scouting?

A: Volunteer leaders are an example of Scouting's principle of service to others. Naturally, parents are the primary source of leadership in the Scouting program. You volunteer not only to serve Scouting, but also to help your scout and their friends, and to have the chance to be a positive influence on the youth in our community.

## ***A Note to Parents***

Your child is at a critical time in their physical, mental, social and spiritual development. Scouting is one of the best programs available to develop values in young people.

Scouting is a great program for the whole family. Won't you and your child come have fun with us? Join now and there is still time for your child to attend Day Camp, Bear Camp or Webelos Camp with other scouts!

Come visit a meeting. You will meet other parents and their children as well as learn more about the Scouting program, upcoming activities and events. We look forward to meeting both you and your child.

See you at the meeting!
