Employment

Certificated Staff Contracts

Employment contracts will be in writing and will be signed by the employee, the Board president and the Board secretary. Contracts will include the amount of annual compensation and the days of service.

Certificated staff members under contract include probationary teachers, permanent teachers and administrative staff. The probationary period allows a teacher to demonstrate, and the District to assess the teacher's competence. Beginning after the initial one (1) year contract, teachers who have demonstrated their competence through performance may be offered additional contracts.

The Board may elect to employ certain certificated individuals on a part-time basis, as needed. Part-time certificated employees will be contracted on a class-by-class basis, not as a percentage of full-time employment. Part-time employees will not be provided the benefits provided to full-time employees. In addition, part-time certificated employees who do not teach at least four hours per day will not be eligible for pension benefits.

Visiting Scholar Certificate

The District may employ teachers with the Visiting Scholar Certification under the following provisions:

1. Verification from the District that such teacher will be employed as part of a business-education partnership designed to build career-pathways to teach in the ninth grade or higher for which the teacher's academic degree or professional experiences qualifies the teacher.
2. Appropriate and relevant bachelor's degree or higher, occupational license or industry-related recognized credential.
3. Completion of the application for a one year visiting scholar certificate.
4. Completion of a background check as required by state law.

Under these circumstances, Department of Elementary and Secondary Education may issue a one year visiting scholar certificate. The visiting scholar may renew their certificate for a maximum

of two (2) years based upon completion or completion of the requirements listed above; completion of professional development required by the District and attainment of a satisfactory performance-based teacher evaluation.
