

Celebrating Veterans

We would like to honor and recognize the veterans in and around our Stonegate community for Veteran’s Day. Please list family and friends (**first and last names only**) that have served in the military. Their name will then be placed on a star and hung in our main hallway for all to see and honor. Please print clearly so we make sure we get the spelling correct. **Send the name(s) to the library once**, not with multiple students.
