Raymore-Peculiar School District

21005 S. School Road, Peculiar MO 64078

Date Issued: May 15, 2020

On March 27, 2020, President Trump signed the Coronavirus Aid, Relief and Economic Security Act (CARES) Act into law. The CARES Act is a \$2 trillion relief package to address the economic fallout related to the COVID-19 public health emergency.

Section 18003 makes funds available from the Education Stabilization Fund for grants to State Education Agencies for elementary and secondary school emergency relief.

Section 18005 of the Act provides that Local Education Agencies (LEAs) receiving funds from the Elementary and Secondary School Emergency Relief Fund must provide equitable services to non-public schools as required under section 1117 of the ESEA. However, control of these funds and title to materials, equipment and property purchased with such funds must remain with the public school district, and be administered by the public LEA. Public school districts will need to consult with non-public school officials to determine how the services will be provided to the non-public schools.

11. Planning and implementing activities related to summer learning and supplemental afterschool programs, including providing classroom instruction or online learning during the summer months and addressing the needs of low-income students, students with disabilities, English learners, migrant students, students experiencing homelessness and children in foster care.

The CARES Act funds are for the 2019-20 school year and will be available to LEAs for use until September 30, 2022.

While the Missouri Department of Elementary and Secondary Education has a number of non-public schools registered for participation in federal programs, there may be additional nonpublic schools that wish to receive an equitable share of services funded by the CARES Act. Nonpublic schools not registered with the Missouri Department of Elementary and Secondary Education (DESE) may contact the Federal Programs Section to participate in the CARES Act services.

It is important to note that the non-public school will not receive funds, but rather services from the public school district.

If you choose to participate in the services the CARES Act funds offer, the Department will need confirmation from the nonpublic school of their wishes to participate as well as enrollment counts and economic deprivation counts **BEFORE** June 1, 2020.

If you have questions or concerns, or to submit enrollment counts please contact Julia Cowell, Director of Federal Programs, at Julia.cowell@dese.mo.gov or Theresa Villmer, Equitable Services Ombudsman for the State of Missouri, at Theresa.villmer@dese.mo.gov.
