

Annual Electronic Collection Event

Saturday, October 16, 2021

8:00 a.m. - noon

Parking Area

The Family Center at Mill-Walk Mall

Harrisonville, MO 64701

Help protect our water and environment and save landfill space by properly disposing of your old computer, television, and other electronics.

Items accepted at No Charge:

Computer towers, keyboards, printers, laptops, tablets, cell phones, landline phones, cassette players, VCR/DVD players, computer mouse, copiers, scanners, routers, gaming systems, radio/stereos, lithium-Ion batteries from laptop or cell phone only, APC battery back-up, cords and wiring from electronics, small household appliances such as coffee maker, blender, toasters, etc.

FEES apply to:

Because these items contain hazardous materials and require special handling, Meredith Recycling charges fees to accept them:

\$20 each for LCD or Plasma TVs & Monitors

\$25 each for CRT TVs under 26" (diagonal)

\$25 each Rear Projection TV and CRT monitor

\$30 each for CRT TVs over 26" (diagonal)

Items NOT accepted:

CDs, floppy disks, flash drives, VCR tapes, ink or toner cartridges, alkaline batteries, nickel-cadmium or metal-hydrate batteries, batteries for power tools, or light bulbs.

The 2020 World Championship Ray-Pec Robotics Team "System Meltdown" FRC 2357 will be on hand to help unload your electronics. Donations gladly accepted.

Checks and Cash Only

Please leave original packaging at home

This event is provided through a partnership of the Cass County Sustainability Committee, The Family Center, and Meredith Recycling
